

AGENDA

9:00 AM - 9:15 AM | Welcome and Context Setting

- Introduce facilitators and participants
- Outline session goals and expected outcomes

9:15 AM - 10:00 AM | Thriving with Exponential Change

- Explore how exponential technologies are transforming industries and business models
- Understand the pace of innovation and its implications for leaders
- Identify how CHUBB can adapt to thrive amid accelerating change

10:00 AM - 10:30 AM | Future-Ready HR in Action

- Examine practical use cases of AI in HR, talent, and organizational enablement
- Discuss examples of augmented people processes driving efficiency and engagement

10:30 AM - 10:45 AM | Coffee Break

10:45 AM - 12:00 PM | Insurance Product Launch Simulation (AI Shark Tank)

- Teams use AI tools to research, design, and launch a simulated insurance product
- Develop a business case, pitch deck, and short video using generative AI
- Present ideas to an AI judging panel for feedback on creativity and feasibility

12:00 PM - 12:45 PM | Modernization and HR Roadmap

- Identify key priorities and modernization opportunities across CHUBB's HR ecosystem
- Map enablers, quick wins, and longer-term transformation pathways

12:45 PM - 1:15 PM | Wrap-Up and Mini-Playbook

- Co-create an AI enablement playbook with tested prompts and tool pathways
- Capture commitments and next steps for continued capability building
